COMMUNITY PROJECTS

DISTRICT ILE PERSEVERANCE I & II

ORIGIN OF NAME AND HISTORY

Ile Perseverance District got its name following a national competition launched in order to some newly reclaimed islands.

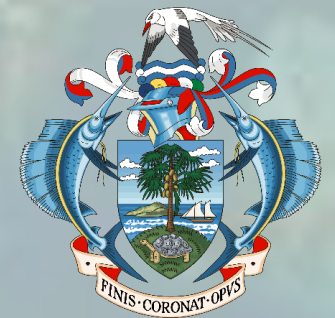

Ile Perseverance was created artificially during the 1999. It is situated North coast of Mahe in order to make way for one of the biggest housing estate project in Seychelles. The first batch of houses was allocated to the first inhabitants in February 2011.

The district has an estimated average population of +6000 inhabitants.

COMMUNITY FACILITIES AND SERVICES

The Ile Perseverance District has various community facilities such as a Primary and secondary School; a Crèche, a Church (Roman Catholic), a small playing field, two multipurpose playing courts, a newly built fishing jetty, a temporarily Fish and Vegetable Market.

Ile perseverance also has a Coast Guard Base. The Magistrate and Supreme Courts and the National Assembly are also situated at Ile Perseverance.

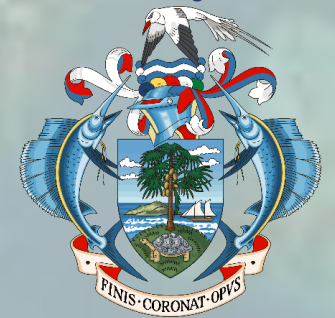

PROJECT 1 : Refurnishment of Playground.

The project entails provision of durable toys that will be easy to maintain and adaptable to our local climate. Thus the children in the community will benefit with a safe environment, less hazardous toys that they will enjoy over a longer period of time.

Create a more children friendly area.

- Project's Requirement: New toys (Aged: 1 to 12 yrs. Old), landscaping (E.g. *Resurfacing the Ground with artificial grass, Educational Pictures on the fence*), and outdoor games (Aged: 12-16 yrs. old).
